

Compact, easy to handle and transport

- 1** Precision flow regulator valve offering a wide flow range;
- 2** Detachable 4-meter power cord and fusible (15A/127V and 10A/220V), for motor protection;
- 3** Trigger with instant liquid cut-off to avoid waste and environmental contamination;
- 4** Dispersion head (UBV / BV) with sturdy plastic cover;
- 5** 2-speed on/off switch with moisture sturdy protection;
- 6** Powerful dual speed motor for ULV and LV operation and for spatial or residual application;
- 7** Translucent tank and filtered drain for easier cleaning;
- 8** Motor with independent cooling system and filter element to increase durability.

SPECIAL FEATURES

The Electric Cold Spray Nebuliser can apply two droplet sizes: larger droplets, when the on-o switch is in position **1**, or smaller droplets in position **2**

Ideal for applying: Distinfectants, insecticides, fungicides, dust mite sprays, mould sprays, germicides, deodorants etc.

On site application including: Disinfecting workplaces against airborne viruses e.g. clinics, gyms, treatment rooms, hospitals, waiting rooms. Fogging flower (Rose) storage areas, ower shops, greenhouses, schools, hotels, food production facilities, silos and public spaces. Excellent for airborne vaccine application at poultry sheds, poultry barns, pig pens and kennels.

TECHNICAL SPECIFICATIONS

Electric motor power	1.400w	Max. Vertical reach*.....	8m (26,2ft)
Voltage	127v ou 220v	Droplet size - DMV (microns)	29 e 63 µm
Motor speed		Max. flowrate*	400ml/min
1 (minimum) / 2 (maximum).....	17.200 - 21.100rpm	Min. flowrate*	15ml/min
Tank operating capacity	4l (1,06gal)	Dry weight	5,2kg
Max. Horizontal reach*	11m (36,1ft)	Carton size	525 x 230 x 65mm (20,7 x 9,1 x 14,4in)

* Approximate figures obtained using clean water, however results may vary depending on the product used, application method, weather conditions, altitude and voltage variations.

Guarany's Mission: our mission is to develop high quality, products of high technology, while respecting the environment, people and markets and ensuring satisfaction at all times for both customers and employees.
